

We would like to invite you to become a Patron.

As a leading amateur chamber choir in the North East, The Durham Singers aims to provide opportunities for local singers to use and develop their skills to produce high quality choral music, with fresh, vibrant interpretations.

In addition, a central aspect of our mission is to give a platform to young local musicians and singers. Whether young soloists with professional ambitions, or local choirs and instrumentalists, our outreach programme brings talented young people from the North East into direct contact with some of the best period instrumentalists from around the UK.

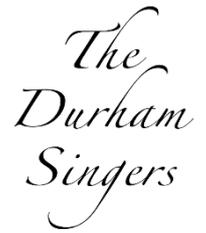

In order to continue this outreach work, we are seeking additional supporters who can make a difference both financially and through their enthusiasm for our mission. Your support as a Patron will be invaluable in enabling us to keep choral music alive and flourishing in our area, to provide high quality opportunities for young, talented musicians, and to plan future programmes.

As a Patron of the Durham Singers you will receive the following benefits:

- Advanced notice of concerts
- Invitation to an annual Patrons' Concert
- A complementary ticket for concerts
- Reserved seats at our concerts
- Credit in programmes and on the website
- Opportunities to take part in other Durham Singers events

If you would like to become a Patron (£100 individual, £150 joint per year), or a Life Patron (£500 individual, £750 joint), please complete the application form on the next page.
